

How to Calculate Grantee Dues

Grantee dues are an approved reimbursable expenditure of your YIP grant money. YIPA provides year-round relentless advocacy and legislative lobbying on your behalf, to protect or increase the Youth Intervention Programs (YIP) Grant allocation.

1. The **base component** is \$250 for every Grantee Member.

2. The **grant component** is your annual YIP grant amount times a multiplier, based on your organization's **youth services budget**.
 - Step one:** Start with your 2022 YIP grant amount (the largest grant if you receive more than one YIP grant).
 - Step two:** Determine the multiplier based on your organization's **youth services budget**.
 - \$0-\$100,000 budget = 1.15% multiplier
 - \$100,000-\$250,000 budget = 2.25% multiplier
 - \$250,000-\$500,000 budget = 3.35% multiplier
 - \$500,000-\$1,000,000 budget = 4.45% multiplier
 - \$1,000,000+ budget = 5.55% multiplier
 - Step three:** Multiply your 2022 YIP grant amount by the multiplier.

3. The **multiple YIP grants component** is ONLY for organizations receiving more than one grant. For each additional YIP grant received there is a final amount added to your dues which is based on your organization's **youth services budget**.
 - \$0-\$100,000 budget = add \$50
 - \$100,000-\$250,000 budget = add \$100
 - \$250,000-\$500,000 budget = add \$200
 - \$500,000-\$1,000,000 budget = add \$300
 - \$1,000,000+ budget = add \$400
